BELLSOUTH TELECOMMUNICATIONS)
INC.'S NOTICE OF INTENT TO DISCONNECT) CASE NO. 2005-00490
METRO TELECONNECT FOR NONPAYMENT)

**BELLSOUTH TELECOMMUNICATIONS, INC.'S
MOTION FOR RECONSIDERATION**

BellSouth Telecommunications, Inc., (“BellSouth”), by counsel, respectfully requests the Public Service Commission of the Commonwealth of Kentucky (the “Commission”), to reconsider its denial of BellSouth’s confidentiality petition with respect to the information highlighted in the November 28, 2005, letter from Joan A. Coleman to Elizabeth O’Donnell pursuant to KRS 61.878(1)(c)1 and 61.878(1)(k). Specifically, the Commission found the highlighted information contained in the letter is not “commercially valuable” to other carriers, “nor is it customer proprietary network information.”

The information for which BellSouth seeks confidentiality is wholesale data specific to the CLEC, Metro Teleconnect (“Metro”).¹ Specifically, the information reflects the number of customers that Metro has in Kentucky. Metro is a wholesale customer of BellSouth and the information provided is classic customer proprietary network information (“CPNI”).

¹ BellSouth incorporates herein its Confidentiality Petition filed in this case on November 28, 2005, including, but not limited to, the discussion of federal law and CPNI (“the 222(a) obligation”) discussed at 2 therein.

On or about August 8, 2005, BellSouth filed its Motion for Reconsideration in Ky. PSC Case Number 2005-00229 on the same issue.² BellSouth adopts and incorporates its arguments in its Motion for Reconsideration in Case Number 2005-00229 as if fully set forth herein.

Accordingly, for the foregoing reasons as well as the reasons stated in BellSouth's Confidentiality Petition filed November 28, 2005, the Commission should reconsider its earlier decision in this matter and grant BellSouth's request for confidential treatment of the identified information based upon BellSouth's petition filed on that same date.

Respectfully submitted,

for
